Kohl's

Retail Sales Associate - Mount Pleasant, South Carolina

At Kohl's I spent a lot of time in every department ranging from Amazon Returns, the registers, or out on the floor folding and making the store looked nice. At the register, we were tasked with selling Kohl's credit cards which gave me a lot of sales experience. In all areas of the store, I was dedicated to customer service, giving me tons of experience with customers and how best to serve them.
